

Norwegian Elkhound Notes 23rd March 2025

Time to get your adverts in for the Club Journal. The deadline is only a week away.

Karen Gold needs your kennel adverts, stud dog adverts and Affixes. Also, if you made up a new Champion in 2023, please send a good quality photo to Karen for your free “New Champion” page along with a 3-generation pedigree. Prices and requirements are on www.necgb.net.

By the way the website has been updated and has several news articles. Well done Vanessa and Wendy Sharman.

There are just two pieces of show news this week. Wendy Threadgold sent me her news last week just a couple of hours after I'd sent the notes so this is now a week late. Wendy wrote,

“We were at Woolwich & Bexley Society today. Ch Norvin Joyeux Noel was 1st in AVNSC & was then awarded Best AVNSC she then went on to win Hound Group 3. Laakso Katja was 1st in Puppy and then went on to win the Puppy Hound Group, her second Hound Group win in just a few weeks. She wasn't placed for BPIS, at only 7 months she'd had enough by then but it was a great day for us.” It's such fun to bring out a new puppy and lovely when they win.

Later last week Barbara Barganska was also reported news of the success of a dog of her breeding in Ireland.

“On 15th March 2025 Darren & [Addrienne Frost-Treadwell](#)'s 'Jack', after winning his 22nd Green Star, became Ire Ch, Barbelka Demon Dancer (ai) Ire Jnr Ch, CW25.

Sire: Am Ch Ellyka's True North, Dam: Cealdstan Ancestral Voices of Barbelka (a.i.). Litter brother of Barbelka Dauntless Spirit (a.i.) and Barbelka Devilishly Divine (a.i.).

He needed to win the qualifying Green Star at over 15 months of age, and capped it with a 3rd in Group 5 (Spitz and Primitive Breeds), and BOB and his 23rd Green star the Next day at St Patricks show. He has had a great start to his show Career in Ireland, including Best Baby Puppy in Show, Best Puppy in Group and Adult Group placements.”
