This weekend was the AGM and contest of Champions.

I must give huge thanks to Margaret and Debbie Deuchar for all the years they've planned and arranged this prestigious event but life and age take over and there has to eventually come a time to cut down on the work. I wish them both the very best. I believe the Contest will continue and may be run by Helen Tress. I hope it continues to be a very special occasion. The reports I've received today all said how much people

had enjoyed it. There was a decent entry and 7 baby puppies took up the chance to take part in the puppy walk.

It was an especially good day for both Vanesa Mc Hugh and Elaine and Nev Simms who had two big wins each.

The surprise judge was very popular ; Stuart Byrne, our ex treasurer was centre of the ring.

Here are the principal winners.
