

Norwegian Elkhound Notes 17/11/24.

The following letter was received by the Club from the Kennel Club this week. Treena Maun has kindly offered to coordinate the planning. Further details will be available soon for anyone interested.

“With the success of our breed celebration lunches and feedback from our members, we're delighted to announce that we're able to open the diary into 2025 and invite you and your friends to attend. You're welcome whether this is for your breed or you're interested in attending lunch for another breed on the list.

We're keen to celebrate as many of our members' breeds and activities as possible. If you have date(s) in mind to hold your breed/activity lunch, please let us know and we will check availability. We look forward to hearing from you for what we hope will be a very pleasurable event celebrating our fabulous dogs.

As part of your visit, your group will be taken on a tour of our unique library and art collections with a talk by our knowledgeable heritage team, specially tailored to your breed. This is an opportunity for us to share our collections with you and for you to consider how you can contribute to our canine heritage as well.
