

## **Norwegian Elkhound Notes April 6<sup>th</sup> 2025**

It was a lovely sunny day for the NECGB Ch Show on Sunday. Mike Caple had been booked to judge but unfortunately, he decided to retire from judging for health reasons so the appointment was taken by Linda Middleton who had to miss her appointment last year when her husband was ill.

Well done to show manager Sarah and the rest of the Committee for all their hard work setting up, packing away and arranging another successful show. So sorry I can't be there

these days to help. This one would have been lovely as it was my husband's 80th Birthday, son's first wedding anniversary, soon to be mine and his birthdays and our Ruby Wedding too. It would have been lovely to celebrate with friends.
