

## Norwegian Elkhound News 21/04/24

Today was the Annual Championship Show of the NECGB which was judged by Beth Benner. She had a very good entry. 45 dogs made an entry of 81 with very few absentees. Many thanks to Sarah Middleton for sending me the results.

As Albert Brewin wasn't well, The Robert Greaves Memorial Stakes were judged by replacement judge Paul Hayes.

Drinks and the Raffle brought in £181 with more from sales of Elkhound items by a persuasive Jill Cowper and more from the sale of several trophies.

Well done to the hard working committee for putting on another successful show. Sorry I couldn't be there to help.

Apologies for the lack of notes last week but there were only the results for the Hound Association of Scotland so I decided to wait until the NECGB Show was done.

You may remember that I stopped writing breed notes for Our Dogs when they insisted that they couldn't be published anywhere else so they are now on Facebook, Dogfocus and hopefully, when the new NECGB Website goes live, they will be back on there again. Vanessa's extensive notes will continue in Our Dogs. Please send me news of walks, special events, new Champions or Open Show wins etc. It's just not possible to scroll through Facebook posts for up to date news. If you post some news on Facebook, it takes seconds to copy/paste a message or email to me as well.
