

Norwegian Elkhound Notes 18th August 2024

Goodness me, what a fabulous day on Saturday for Nev and Elaine Simms at WKC with CH Seasara Earl Grey. Not only did he win Best Veteran, he also won the DCC and BOB. I just love to see these wonderful veterans continuing to win well. I really think that the age of 7 is far too young to consider any Elkhound to be a veteran. I'm not certain how old Earl Grey is now but there's no way you would think of him as a veteran.

The judge was Christine Gilbert who chose Sally Simmonds and Maggie Mott's, Ch Kamgaard Klementina for the BCC with Treena Maun's Bowerhinton taking Res BCC and Jill Cowper and Gill Bingham's Graythor Augustus At Rothenborg winning Res DCC. Klementina is now both a US and UK champion having gained her title at the Hound Show and another CC at Leeds so she now has 5. Best Puppy which has been doing extremely well lately was Tyson's Bowerhinton Bright Flame At Starceylon. The weather was lovely for the show and I was delighted to hear that Barbara Stokes was sufficiently recovered from her recent operation to be able to attend the show.

Schedules are now out for the NECGB Open show on 22nd Sept at Corley Village Hall CV7 8AY. Phil Freer is the judge. Entries on Fosse data close August 30th. Postal entries and fees to Sarah Middleton, 5 Edge End Lane, Nelson, Lanc's. BB9 0PR.

Don't forget too, the Elkhound fun day which is on September 1st at Naseby Village Hall NN6 6BT. There will be demonstrations of mantrailing, handling, a question and answer session and fun dog classes. Just take along a picnic and have a great day out with lots of Elkhounds. Any questions please ask on Facebook via Nicola Callow, Neal Cuss, Elaine Simms or Cath Davis.

The day starts at 9.30am. Have fun.
