

Norwegian Elkhound Notes. 22nd March 2026.

Sorry the notes are very brief but this is all I have time for. In the morning my aging laptop is going into the shop to be replaced by a new all singing all dancing model so I need to do a quick clean up and get my shopping done because it will be away for several days.

So there are just two bits of show news I came across plus the good news that the missing Journal should today at last be going for proof reading then it can go to the printer. Thank you, Karen and Cathrin, for all your hard work especially having to do it twice.

Emily Hardy Wallace wrote, "We had a great day at our local clubs open show Chichester and District Canine Society.

Both Lyric and Dream came 1st in their classes Dream went on to win best puppy and beat Lyric for best of breed.

He didn't place on hound group, however he was 3rd in puppy hound group,

Dream absolutely smashed his first show both in and out of the ring and I couldn't be more proud of him".

Karen Gold also had success saying, "Late start in the ring at Cambuslang after the Gundog Group but wow, it was worth the wait.

Marco Polo was 1st Hound NSC Open, Best NSC & then Hound Group 1 under hound specialist Hazel Deans (Gempeni). Nothing in BiS but Marco showed his socks off, ably piloted by..... Alan!

Kara was 2nd to her Daddy in NSC Open & Reserve in AV Hound Puppy".

Well done both of you.

Hopefully I'll have more time next week and a bit more news.
