Norwegian Elkhound Notes 12th July 2026

I'm afraid the only notes this week are an apology for something I only just found out about and a couple of Open show wins.

Last week I reported on class wins by Nicola Croxford's new puppy, Whittimere Spexy Beast at Boston Open but didn't know that he had also won the Puppy Group and 2nd in the Adult Group. What a terrific result at his first ever show. Many congratulations also to Tom on his wedding.

Following on with yet more wins, Spexy Beast (Alan) went to Newport and District Agricultural Society under breed and group judge Mr R Kinsey where he won Hound Puppy Group 1 and Best Puppy in Show followed by Adult Hound Group 1 and Reserve Best in Show. What an incredible start to a show career. Then another BP and BOB and Puppy Group 3 at Evesham on the 12th July.

There were messages online also from Linda Middleton saying that puppy Vell won Hound Puppy Group 2 at Goosnargh and Longridge and from Christine Gilbert whose pup Phoenix was BOB at South Yorkshire Hound.

That's all this week. Everyone keep cool and pray for rain (but not too much all at once for the Hound Show next week).
